Dear Fellow Clubmembers

The Results of the presidential balloting leave two members in a runoff. They are Alex WA5UHT and Jan W5SBX. Enclosed you will find runoff ballots and an envelope to place it in. Please mark your choice and get it in the mail to me. Your answer should arrive here no later than the morning of December 29th so that the new officers can be introduced at the club banquet.

The banquet will be held on december 29th at the same spot as last year. That's the Bonanza Sirlion Pit in Baytown. For the new members, this spot is located on highway 146 in Baytown. You can turn off intrastate 10 and go south on highway 146 and it will be on the right hand side when you get to baytown. There will be the usual collection of prizes given and slides shown. I certainly hope that everyone will be able to make it. Try to arrive about 7:30 pm and we will eat at 8:00 pm.

Also it is time to ask for dues again. In spite of inflation it is still a only six dollars. Please make your check payable to the Texas DX Society and return it to me with your ballots.

Well that's it for now ! I hope to see all of you at the banquet.

73's

Richard L King K5PFL
